Rhome Community Library

*Formerly Known As
Rhome Public Library*

begins a new chapter in its 58 year-old story with the construction of a
New Library building!!

The library existed for 58 years by community involvement, donations, and volunteers while moving and renting six different locations.

Share in the writing of this new chapter by supporting the construction of a permanent home for our “community” library!

GOAL AND DATE

Our goal is \$950,000 by January 2020 to begin the construction process for completion to coincide with the 60th anniversary of the Rhome Library.
